

Application Form Instructions

Program: International Master Program **Information Technology**

Degree: Master of Science (M.Sc.)

Media of
instruction: English

Universities: Aalborg University Esbjerg, Esbjerg, Denmark
Halmstad University, Halmstad, Sweden
Ostwestfalen-Lippe University of Applied Sciences, Lemgo, Germany
Wroclaw University of Technology, Poland

Entry Requirements

- Bachelor's degree or equivalent (e.g. Diplom-Ingenieur degree from a German Fachhochschule) in electrical or computer engineering.
- English Language proficiency **documentation**. This may be based on having English as a native language, grades from English education, or an English test, i.e. TOEFL; TOEFL computer based; IELTS; TWE; TOEIC; CAMBRIDGE CPE/CAE. **(A language test is not obligatory as an entry requirement!)**

Application

1. **Danish, German, Polish and Swedish** applicants need to apply directly to their home universities in Esbjerg, Halmstad, Lemgo or Wroclaw.

Applications to **Esbjerg, Lemgo** or **Wroclaw**: Please use attached application form, tick the university of your home country and where you wish to start the first semester.

Application to **Halmstad**: Please apply via www.studera.nu . Course code: see homepage.

Please note: Submit your application to only one of the four universities.

2. **Other European and Non-European** applicants need to apply directly to one of the universities in Esbjerg, Halmstad, Lemgo or Wroclaw.

Applications to **Esbjerg, Lemgo** or **Wroclaw**: Please use attached application form and tick the name of the university where you wish to start the first semester.

Application to **Halmstad**: Please apply via www.studera.nu . Course code: see homepage.

Please note: Submit your application to only one of the four universities. We advise all students to apply to the university at which they are planning to spend the first semester, since this will give a faster admission. This is particularly important for students who need a visa for the country where they want to go.

Application deadlines

Please, first check the enclosed curriculum of our IT program and then decide where to start your studies!

Application to **Halmstad**: Application deadline for Swedish students is 15th April. After this date applications are still accepted at www.studera.nu but these late applications will be processed after the application received before the deadline.

Application deadline for Non-Swedish students is 15th January each year. After this date applications are still accepted at www.studera.nu but these late applications will be processed after the application received before the deadline.

Application to **Esbjerg, Lemgo, Wroclaw**: Application deadline is 1st March each year for Non-EU students requiring visa. European students shall apply by 15th April. Later applications will be considered if places are still available.

Application documents

Following documents should be included with your application:

- Certificates and diplomas from previous university studies
- Transcripts of records including grades and course syllabi from previous university studies
- English language proficiency documentation
- If not available earlier, all applicants must submit their final exam grades by **August 1st**.
- Only certified copies with translations in English are accepted. If documents are not in English officially certified translations are requested.

Selection

Each of the four participating universities accepts the best students. A total number of 50 students will not be exceeded. If the number of applicants fulfilling the requirements for admission supersedes the number of study places, a selection will be made by the admission board. Their decision is final and not subject to appeal.

Confirmation

Accepted students will be notified in writing of their admission by June 1st. A signed confirmation of attendance must be returned until June 15th.
